Areas of Overlap Between Detrimental Research Practices (DRPs), Questionable Research Practices (QRPs) and Unprofessional Behaviors

**Key**
- DPR Category
- QRP Category
- Unprofessional Behavior Category
- DPR Subcategory
- QRP Subcategory
- Unprofessional behaviors do not have defined subcategories

---

### QRP Category
- **Publication of Results**
  - QRP Category
  - **Unprofessional Behavior** Category
    - **Negligence**
    - **Misconduct**
    - **Policy**

### DPR Category
- **Conflict of Interest**
  - DPR Subcategory
    - **Misleading**
  - **Supervision and Management**
    - **Misrepresentation**
    - **Institutional Negligence**
  - **Malpractice**
    - **Institutional Negligence**
  - **Supervision and Management**
    - **Negligent/Explosive Supervision**
  - **Policy Misconduct**
    - **Negligent/Explosive Supervision**
  - **Supervision and Management**
    - **Negligent/Explosive Supervision**
  - **Surveillance and Management**
    - **Negligent/Explosive Supervision**

---

### Areas of Overlap with DRPs
- **Negligent/Explosive Supervision**
- **Supervision and Management**
- **Policy Misconduct**
- **Supervision and Management**
- **Policy Misconduct**
- **Supervision and Management**
- **Negligent/Explosive Supervision**
- **Supervision and Management**
- **Policy Misconduct**

---

### Areas of Overlap with QRPs
- **Negligent/Explosive Supervision**
- **Supervision and Management**
- **Policy Misconduct**
- **Supervision and Management**
- **Policy Misconduct**
- **Supervision and Management**

---

### Areas of Overlap with Unprofessional Behaviors
- **Negligent/Explosive Supervision**
- **Supervision and Management**
- **Policy Misconduct**
- **Supervision and Management**
- **Policy Misconduct**
- **Supervision and Management**

---

### Additional Notes
- The number of overlapping subcategories is provided in parentheses.
- Areas of overlap between detrimental research practices (DRPs), questionable research practices (QRPs), and unprofessional behaviors are illustrated in a flowchart format.
